EDWARD HARRISON Esq^r. Gov^r: & PRESID^r. — MONDAY 3^D.

FRANCIS HASTINGS.

WILLIAM WARRE.

JOSEPH SMART. — THOMAS COOKE.

JOHN LEGG. — JOSIAH COOKE.

MESS^RS. BENYON AND HORDEN *sick.*

Edward Harrison Esq^r. President his Acco^t. of the R^t. Hon^ble: Comp^as: Cash read, ballance remaining pag^s: Sixty seven thous^d. One hundred twenty four, four fanams and five Cash. — Cash Accot. for Decr. read.

Pasqual Diego &c^t. fishing ffarmers being indebted on the Books 350 pag^s: for that farm are call'd upon for the mony & declaring that they paid One hundred pagodas to John Mason late Secretary according to Custom on that account Anno 1712—Which upon examination the Board finds has not been paid into Cash. — ffishg. ffarmers debt on the Genll. Books demanded, 100 pags. of wch. they pretend to have paid the late Secry.

ORDER'D that the Accomptant do examin strictly into this affair & report the truth thereof to the Board. — the Accompt. to examin into the affr.

Mess^rs. Hastings and Warre deliver in their Report of the Houses & Gardens mention'd in Serrapas Mortgage bond Which are claim'd by other persons, the said Report is enter'd after this Consultation, and upon debating the several Articles thereof it is RESOLV'D as follows. — Messrs. Hastings & Warre deliv. in their Report of Serrapas Houses & Gardens.

TO THE FIRST ARTICLE.

THAT the House belongs to Serrapa it having been legally sold by order of the Mayors Court and purchas'd by him as appears by the Bill of Sale.

TO THE 2^D. ARTICLE.

THAT if the Original Assignment is produc'd & found to be dated before the Mortgage the House therein mention'd belongs to Narso, otherwise it is Serrapas, & if it is Narsos he is also indebted to the Hon^ble. Company on account of the Tobacco ffarm, wherefore the said House must be sold with the Rest.

———*FORT ST. GEORGE, JANUARY 1714-15*———

To the third Article.

That the Bill of Sale for the house therein mention'd Remaining in Serrapas hands unindors'd & none of the Witnesses mention'd (except Timmapa) having testified anything to the purpose, only that Ram Chitty did dwell in that house, it is Agreed to belong to Serrapau.

To the fourth Article.

That one of the Houses & Gardens therein mention'd to stand in Trevlicane value about eighty pagodas does fairly belong to Bompolo & his Mother Modanah.

To the fifth Article.

That Serrapau not having paid for the House therein mention'd when He bought it at publick Sale for which reason the Court of Admiralty judg'd it a void bargain, & the lawfull Owner Veronahs Widow having afterwards satisfied the debt for which the House was order'd to be sold, the title thereof fairly rests in her, & Serrapau has knavishly Mortgag'd what was none of his own.

publick notice to be given for sellg. Serrapas Houses & Gardens the 10th. inst.

Agreed that publick Notice be given for selling those Houses & Gardens that appear to be Serrapas at the Sea Gate on the 10th. instant except his dwelling house & one small Garden as mention'd in Consultation of the 18th. Ultº. & that this Board will secure the title to all Purchasers.

the Paddy feilds to be farm[d] to ye. fairest bidder.

Agreed further that the grounds commonly call'd the Paddy feilds mention'd in Consultation of the 3d. Ultº: be let out to the fairest bidder at the same time.

Serrapa excusd the interest due on his debt

A debate arising whither Serrapa ought not to pay interest for this debt, & the Mortgage bond being examin'd it appears to have been only given for the Principal Sum without any interest mention'd, some part of which has been paid in at times as he was able, though not mention'd as it ought to have been in Consultation, & in further consideration that he is the oldest inhabitant upon the place, that he was the Company head Merchant many years & has very little left to Subsist on

if he fully discharges the Principal.

Agreed not to insist upon the Interest provided the Principal is fully discharg'd.

Pags. 2000 advanc'd the Paymr.

Order'd that two thousand Pagodas be advanc'd the Paymaster to defray Charges Garrison.

Mat: Welds case debated.

Mathew Welds case taken into Consideration & fully debated, the heads of the Charge against him are as follow

First.

That He stood indebted large sums as Paymaster and Storekeeper which were not discharg'd according to the Orders of the Board.

Secondly.

That when Paymaster he bought Timber & Plank at low prices, & charg'd them to the Compas. Accot. at a considerable advance.

Thirdly.

That when Sea Customer he gave Mr. Raworth sevll. Certificates for goods custom paid, which goods were sent up hither with the said Certificates, which appear upon the foil at the Sea Gate, accordingly they were excus'd the Custom here, but it was never paid by Mr. Raworth at Fort St. David.

Fourthly.

That He is still indebted about three hundred pagodas on account of Timber & Plank paid for with the Compas. mony but not forthcoming.

——*FORT ST. GEORGE, JANUARY 1714-15*——

To the first Article, it appears by a General Lett^{r}. from ffort S^{t}. David dated the 23^{d}. June 1713 Paragraph N°. 5 Where they write us the Dep^{ty}. Gov^{r}: promises, M^{r}. Mathew Weld shall not be indebted more to the Comp^{a}. on the ballance of his Acc^{o}. than what He shall be able to pay in, Again in their General Letter dated the 26th. July following, they inclose us Mathew Welds Acco^{t}. Curr^{t}. by which they tell us we may perceive what ballance is due from him which as there stated is pagodas 237 : 28^{fa}. & 1^{ca}. & the Dep^{ty}. Govern^{r}. acknowledges to have rec^{d}. the Remainder into Cash being pagodas 1703—:—though he has never given the Hon^{ble} : Company credit for it in his Cash Acco^{t}.

Agreed that it is the opinion of this Board that no payment to a Govern^{r}., Dep^{ty}. Govern^{r}., or Cheif singly is a legal payment to the Company, the establish'd Rule being to pay all sums into Consultation, however the Councill having sign'd the Letter Which agrees to the Account Currant wherein the Dep^{ty}: Govern^{r}. credits Mathew Weld by so much mony received of him, this case is so very particular, that it is Agreed to referr it home to our Hon^{BLE}. Masters.

To the second Article.

M^{r}. Weld makes appear that He had a parcel of Timber & Plank by him of his own, out of which all the best were cull'd for the Comp^{ns}. use, which was the reason that a higher value was put upon them than what they cost one with another, the remainder being so bad that He has them still upon his hands, however as it is but too likely that great abuses may be introduc'd this way

Agreed that for the future no Timber or Plank, or other Stores be bought in at ffort S^{t}. David but by the Storekeep^{r}: Who shall first acquaint the Board with the prices & quality for their approoval, & afterwards issue them to the Paymaster as there is occasion to use them.

To the third Article of Sea Customs.

M^{r}. Weld pleads that Certificates were never denied upon the exportation of goods, the Exporter having first Agreed to the Customs, & promis'd payment, that he thought himself very Secure in the word & honour of his Govern^{r}., & could never have imagin'd, but that he would have paid him the mony, & therefore He humbly hopes he shall not be oblig'd to make it good.

Agreed that this Article having something very particular in it, be likewise referr'd home in the next General Letter.

To the 4TH : Article.

M^{r}. Weld acknowledges the debt and promises speedy payment of the mony.

Upon the whole matter considering the ballance of his old Account pagodas 1940 : 28^{fa} : 1 ^{ca} : is now made good.

the ballance of his old Acco^{t}. beg. made good

Agreed that his Suspension be taken off upon his making good the payment aforesaid for Timber & Plank wanting & that he do continue in his employ till the Hon^{ble}. Comp^{as}. further pleasure is known, whither they will accept of his former payment to M^{r}. Raworth, & excuse him on account of the Sea Customs.

his Suspension is taken off, & he is Reinstated in his formr. employ.

To the Hon^ble^. Edw^d^. Harrison Esq^r^.

Presid^t^. & Govern^r^. of ffort S^t^. Geo^r^. &c^t^. Councill.

Hon^ble^. S^rs^. &c^a^.

Pursuant to an order of Consultation dated the 3^d^. of December, We have survey'd the several Houses & Gardens that were mortgag'd by Checaw Serrapau to the R^t^. Hon^ble^. Company Some of which are laid claim to by other proprietors, & having heard their several pretentions thereto, We do now lay before your Hon^r^. &c^t^. the examinations thereon.

1st One House mention'd in the Mortgage to be stand^s^. in the Pedda Naigues Petta, & valued at Pag^s^. 100. is laid claim to by one Gruapa who alledges the said house was given him by his Mother & Brother w^ch^. Serrapa denies, & produces a Bill of Sale, by which it appears he bought the said House at Publick Outcry in June 1700, w^ch^. was then Sold by order of the Mayors Court for satisfaction of a Mortgage that the Church Wardens, & Ministers of this place had thereon.

2dly One House mention'd in the Mortgage to be standing in the Moors Muskeet Street, & valued at 150 pagodas, is laid claim to by one Narso, formerly one of the Tobacco & Beetle ffarmers here, who alledges the said House was given him by Serrapau, & produces the Original Bill of Sale to said Serrapa, as also the copy of a Cadjan Wherein Serrapa acknowledges to have assign'd over unto him by deed of gift the said House dated in August 1703, the Original Cadjan Narso says is in possession of his Conicoply who at present is up in the Country. Serrapa acknowledges to have given the House to Narso but declares it was since the same was mortgaged to the Company, but it appears to us by copy of the aforesaid assignment to be given before the date of the said Mortgage.

3dly One house mention'd in the Mortgage to be standing to the Westward of Narrans and valued at pag^s^. 200. Is laid claim to by Quondam Ram Chittee, who produces as Witness Viz^t^.

Timmapah, Nairo Veronah, & Verapah, the first of these three declares He was present when Beetle was given to the Complainer by Serrapahs order, & He was wish'd Joy of his House as accustomary on such occasions.

Nairo Veronah declares He knows nothing of the matter.

Verapah denies to have seen any mony paid for the said House as alledg'd by Ram Chittee.

Serrapah produces a Bill of Sale for this House & acknowledges to have permitted the said Ram Chittee, who was formerly his Servant to live therein for several years in consideration only of keeping it in Repair, & paying the Hon^ble^. Comp^ns^. Quit Rents, but denies ever to have sold or given away the said House.

4 Two Houses mention'd in the Mortgage to be standing in Trevlicane & valued at 100 pagodas.

Two Gardens mention'd in the Mortgage to be standing in Trevlicane & valued at pag^s^. 150.

One of the said Houses & one of the Gardens are laid claim to by Bompolo in the behalf of himself & his Mother Modana, & Serrapah acknowledges that He has neither Mortgage or Bill of Sale to produce, but has only a Letter from one Ankona, Bro^r^. to the said Bompolo who being indebted to him desires he will take the said House & Garden in part of payment, which was the Reason He Mortgag'd it to the Hon^ble^. Company. Narran being ask'd what He knew of this affair, declares the same to belong to the foresaid Modana, which is all except the Charity of her freinds She has to subsist on, & the value of the said House & Garden is about eighty Pagodas.

5 One House mention'd in the Mortgage once Veronahs Widows & valued at 700 Pagodas, is laid claim to by the Widow of Bangore Veronah, Serrapah being ask'd what title he had to the said House aledg'd he bought the Same at Outcry, which upon enquiry we found to be true as appears by the Register of the Admiralty Court, but

——FORT ST. GEORGE, JANUARY 1714-15——

the said Serrapah not paying for the said house, the sale was declar'd Void, & the Bill of Sale drawn out for that purpose, Ord^{d}. to be cancell'd. Serrapah insists that the Estate of Veronah is several thousand pagodas indebted to him & was the Reason He did not pay the said mony into Court, which is what We have to offer on this occasion & are.

——*FORT ST. GEORGE, JANUARY 1714-15*——

To the Hon^{ble}: Edw^{d}. Harrison Esq^{r}:

Presid^{t}. & Govern^{r}. of ffort S^{t}. George &c^{t}. Councill

Hon^{ble}. S^{rs}. &c^{t}.

Having often promis'd in our General Lett^{rs}. from Vizagapatam to contrive all ways and means proper to reduce the Charges of that Settlement, & thereby make the Investments in those parts more advantageous for our R^{t}. Hon^{ble}. Masters I presume to present the following reasons for the non performance of that Acceptable Service before resigning my Cheifship, with respect to the bad Condition of the Factory, the Nature of the Government, & the goods provided there, & to the first can assure your Hon^{r}. &c^{a}. that the Factory repairs for these five years past have daily encreas'd under an absolute necessity to prevent its falling down, the Walls being supported with Buttresses, and the lodgings so decay'd that it is not safe living in them, as appears by the R^{t}. Hon^{ble}. Comp^{as}. Servants being oblig'd to dwell in out Houses.

As to the Government after our troubles with Fuckerle Cawn were over, & just before the arrival of Gov^{r}. Harrison We reasonably hop'd for a less charge in Soldiers & Peons wages but found the succeeding Nabob Habid Cawn so farr from protect^{s}. & favouring our trade, that we were daily persecuted with unjust and unreasonable demands, so that the pleasing work of returning to Fort S^{t}. George some of our Soldiers & discharging peons was stop'd to defend ourselves & our Investment at Ingerum, which was in danger of being ruin'd had not that Rajah Countenanc'd & incourag'd the trade which his good Character & plentifull Country for Cloth Manifactures invited us to, and the Success with good management would have answer'd the undertaking, but the Rajah was oblig'd to have his people in arms against the Nabob, whose rapacious hands were seizing all that fell in his way till the News of a Setled Government at the Moguls Court & fear of being accountable to a Superiour power in those parts, made him in May 1713 prepare for his escape, & appoint for his Deputy or Phousdar one Hodge Hussein whose favour & freindship We had often experienc'd so farr as to venture again upon the Ingerum trade & accordingly sent two of our Merchants with M^{r}. Faucet to make an Investment of 20000 pag^{s}. which succeeded from June the 20th. to January the 27th. without any material Impediment, when M^{r}. Faucet having advanc'd to the Merchants more mony than our orders would justifie & being told in a private letter from this Writer that the consequence might be his ruin, He took no further care of the business but in a revengefull manner, as if I had been his Mortal Enemy made those false & scandalous reports with which you have been already sufficiently troubled, wherefore I beg leave to proceed with my reasons for not making more considerable retrenchments in our Charges at Vizagapatam, especially the Principal Articles of Soldiers & Peons Wages which must be continued till there comes a Nabob with a full power to govern, and keep the Rajahs in such subjection that his Perwannas will be received and obey'd in all their Countrys which favourable juncture has been daily expected since this Moguls Accession to the Throne, but two contending great men at Court have prevented, & by sending & changing their Servants in Government make our Account of Presents extravagant And uncertain, and the discharging Soldiers and Peons impracticable.

The method of making our Charges more tolerable by increasing our Investments has been attempted with a good prospect at Ingerum, & with good management may be continued, as also the bringing Salampores from the Ganjam Country in the manner we contracted with M^{r}. Symonds before I left Vizagapatam for 1½ pag^{s}. less in a Corge than M^{r}. Jennings &c^{a}. give the Black Merchants who I presume by that preced^{t}. may be perswaded to accept the same price or less than 14 pag^{s}. for what provided at Ingerum or near Vizagapatam where the plenty & cheapness of Cotton generally answers that of Rice in the Ganjam Country.

Having in my Journey from Vizagapatam view'd the R^{t}. Hon^{ble}. Comp^{as}. Factorys at Madapollam and Metchlepatam, I think it my duty to let your Hon^{r}. &c^{t}. know

——FORT ST. GEORGE, JANUARY 1714-15——

their condition & want of repairs. At Madapollam the timbers of the old Factory and all Building materials are much more substantial than those of the New whose foundation is weak, & the upper rooms leaky where the Timbers being green and very slight at first are lyable to be rotten in a few years, & the Bricks having a great deal of sand mix'd with the clay are very much consum'd especially in those Walls which are not plaister'd wth. Chenam Which are most of the Outworks.

The Factory at Metchlepatam seems to be kept in as good order as the Charges allow'd will admit of, and a little of M^{r}. Nodens care is wanting to those at Madapollam. I am

Captn. Grainger requests bags 300 of Salt Petre.

Captain Richd. Grainger of the Cardigan requests three hundd. bags of Salt Petre more than what He received in Bengall, having in the passage hither found his Ship to proove more crank than He expected.

his Request debated, & granted.

This request being debated, thô it appears to be a very great hardship, that our Petre should be demanded from us in this manner by those that might have what quantity they pleased to ask for in Bengall, thô ours is lodg'd here purposely for the use of our own Ships and good part of what we recd. this season came upon freight, yet we think in regard to the safety of so rich a Ship, We cannot refuse giving the Captain what Petre he demands, without making our selves responsible for any ill accidents that might happen to the Ship in her passage home, which would undoubtedly be attributed to her want of Sufficient Kintlage.

ye. Expt. W: houskr. to lade 300 bags of Salt Petre on board the Cardigan.

Order'd therefore that the Exportwarehousekeepr. do lade on board Ship Cardigan, three hundred bags of Salt Petre & that the forementiond request be enter'd after this Consultation.

Messrs. Baker & Welds Petitions for allows. durg. their Suspension debated.

The Several petitions of Philip Baker & Mat: Weld of Councill at Fort St. David taken into consideration, the Substance of them being to demand their Salary, Diet mony, &ct. during the time of their Suspension, & upon a thorough debate

Mr. Bakers Salary & 6 pags. ℔ Men: diet mony allow'd him.

Agreed that their Salarys be paid them but that Philip Baker be allow'd no more Diet mony than the usual allowa. of Six pagodas ℔ Month before Mr. Raworth & the Councill then with him of which Mr. Baker was one unwarrantably assum'd to ym. selves a power to encrease it to ten pagodas, without our consent or approbation, besides Mr. Baker has express'd much discontent at the Regulations this Board lately made of that affair, wherefore 'tis not thought fit to allow him more.

Mr. Welds Salary only.

Agreed further that Mat: Weld having enjoy'd the priviledge of the Compas. Table here during his Suspension cannot have any other allowance made him.

the Storekr. reports that He has travers'd the Stores à ye. Kent to ye. Rochester.

John Legg Storekeeper reports that He has travers'd all the West Coast Stores from the Kent to the Rochester according to order except four Anchors taken ashoar here, that are more than they have occasion for at that place, & finds all to come out right according to Invoice, except three Charldron of Coales that are Wanting.

Ship Cardigans dispatch for Great Brittain taken into Consideration.

The dispatch of Ship Cardigan for Great Brittain being taken into consideration & debated, & the 28th. paragh. of the last Genll. Letter from the Honble. the Court of Directors dated the 27th. of October 1714 by the Kent being read relating to the dispatch of Ships yt. are late in the Season, wherein they write " that it is much more

——*FORT ST. GEORGE, MAY 1715*——

" eligible in time of peace to have the Ships venture to get round the Cape, & if they " should be too late the disappointm^{t}. would only be four month demorage extra- " ordinary, & the Cargo's may in all probability arrive in time for the spring Sale, " whereas keeping them till September or October will cost double the demorage & " the goods not arrive in time to be sold till September following " from whence we cannot but conclude that the last standing order W^{ch}. forbids dispatching any Ship that cannot be sent away before the 1st. of March, till September or October following being dated in time of Warr was only intended to remain in force till the Warr was ended, & since there is a fair probability that if we dispatch the Cardigan at or about the time of her four months demorage are expir'd, she may get home early enuff for the March Sale, which at this juncture will be a double advantage because so few of the Bay goods went home last season, & they were rising When the Kent came from England, besides that there went no Raw Silk upon the Hannover which is in great demand.

the Cardigan to be dispatch'd abot. the latter end of next month.

AGREED that it appears to this board highly for the Comp^{as}. interest, as well as agreable to their opinion in the Parag^{h}. beforemention'd that the Cardigan be dispatch'd by the latter end of next month or thereabouts, w^{ch}. will be a proper season for her to get about the Cape so as to arrive Great Brittain in ffeb^{ry}.

Aleixa Pessoas ansr. dd in to ye. Petition of Francisco Laité Pereira

Senhor Aleixa Pessoa de Andrade having deliver'd in his answer to the Petition of Francisco Laite de Pereira mention'd in Consultation the 12th. instant, & all persons concern'd being Summond in order to a fair hearing

ffrancisco Laites petition read a 2d. time wth. sevll. attestations.

The foremention'd Petition was read the second time as also several attestations which the Plaintif produc'd for proof of What alledg'd against the Defendant.

Also ye. Defendants ansr. wth. sevll. attested papers.

The Defendants answer read with several attested papers relating thereto, which papers being translated by Mr. Anthony Barnewalle, the Plaintif was ask'd if he requir'd the oath of the Translator to which he reply'd that He was satisfied with his word knowing him to be a man of honour.

Sevll. Merchts. yt. were present at Manilha examin'd & Report as follows.

Mr. Anthony Barnewalle Merchant, Senr. Dienece Gomes a Portugeese Mercht. & Senr. Constantine an Armenian Merchant all three lately arriv'd from Manilha were fully examin'd to the most material points which the Plaintif Charges upon the Defendant in his Petition, & the substance of their answr. (in which they all agree) is as follows.

that ye. Plaintifs Bror. in law seem'd to act as his Attornie, & ye. Defendt. was assistg. to him.

THAT to the best of their judgement John de Sampayo the Plaintifs Bror. in law appear'd & acted as his Attornie in Manilha, and that Aleixa Pessoa was assisting to him in a freindly manner to endeavour to borrow mony in order to ransom the Ship but it was not to be procur'd.

that they nevr. heard ye. Defendt. forbid any one Ransomg. ye. Ship except for ye. Owners.

THAT they never heard of Aleixa Pessoas protesting against any persons that were willing to have bought the Ship & Cargo upon pretence that He intended to redeem her for the Owners.

that they nevr. knew of any such proclaimation wch. ye. Plaintif asserts to have been publish'd.

THAT they never heard of any such proclaimation as the Plaintif asserts to have been publish'd by the government in Manilha to forbid any persons purchasing the Ship or Cargo of the French except those that were concern'd in her before she was taken.

that they always thought ye. Defendt. fairly purchasd ye. Ship for himself & Partners Accot.

THAT they did always take for granted that Aleixa Pessoa the Defendant did fairly purchase the Ship of the ffrench for his own Account & for Accot. of Manoel Pereira Ramos that was half concern'd with him, that they never heard anything of a redemption or ransom, & that the Customs were paid at Manilha for the Cargo by order of the Government, which would not have been in case the Ship had been ransom'd unless by a previous agreement.

A ꝑticular declaration from Senr. Constantine.

And further Senhor Constantine particularly declares that the French did endeavour to evade paying the customs upon pretence of a ransom, but the government being fully convinc'd that it was a real sale, did compel the Commissary to pay the Customs before they would let the Ship depart the Port, & the Deponent Constantine was his Security for the said Payment.

wch. evidence beg. given before both parties, they had a full hearg. till they had nothing further to offer.

The foregoing evidence being given in the presence of both parties they had afterwards a full hearing, untill they had nothing further to Offer & being withdrawn, upon summing up the Evidence the board came to the following resolutions.

——*FORT ST. GEORGE, MAY 1715*——

Resolv'd that the Plaintif has not made appear to the Board, that the Defendant was his lawfull Attornie, or that He qualified him with mony or credit to purchase the Ship or Cargo nor has he made good any one of the facts which he asserts in his Petition that are material for prooving the Ship & Cargo, to have been redeem'd for Acco^{t}. of the Owners, on the contrary it appears by original papers duly authenticated, that John de Sampayo the Plaintifs Brother in law, was the principal person employ'd to act in this affair, & the Defendant was only desir'd to assist him, the necessary instructions being entirely confided to John de Sampayo. It appears further by the said papers that John de Sampayo, after having us'd all possible means to redeem the Ship was forc'd to desist for Want of mony, which he signifies under his hand to Aleixa Pessoa the Defendant, desiring him to purchase the said Ship & Cargo for his Own Account that the City of Macao might not lose the benefit of the Customs. It appears further that the Defendant did not offer to purchase the Ship for his own Acco^{t}. till all hopes of ransoming her for the Owners were at an end, & the ffrench were about parcelling out the Cargo to other people. Resolutions taken thereupon.

Further the Defendant produces a fair bill of Sale made & past in the presence of the Castillano de Cabita who is the cheif judge of that Port, which bill of Sale is Witness'd by John de Sampayo the Plaintifs Attornie, & no mention therein made of a ransom or of the Plaintif, or any other of the Owners. A Bill of Sale Produced by the Defendant.

And Further the Plaintif himself acknowledges that he has already prosecuted the Defendant on this same account in the City of Macao, where undoubtedly he produc'd all the evidence that He now pretends to want, as well as the same that He has now produc'd here, & where we cannot doubt but He had a fair & favourable hearing, as He and all his family are Natives, & Inhabitants of that City, & Whereas it appears fully to the Board that the Defendant after having been imprison'd at the Suit of the Plaintif for some days, had a full hearing and the cause was determin'd, after which he was clear'd & had license to depart the Port with the Ship, having publickly Sold the Cargo there for his Own and Partners Acco^{t}. & paid the Customs of the city as usual, all which the Plaintif does not deny but weakly alledges the government of that his Native place to be his Enemies. the Plaintif acknowledges he prosecuted y^{e}. Defendant at Macao, & was cast himself.

Agreed that it is the judgement of this Board, that by what Evidence has appear'd to us Sen^{r}. Aleixa Pessoa de Andrade did fairly purchase the Ship Jesus, Maria, Joseph & Cargo of the French Captors (according to an instrument now produced) for his Acco^{t}. in Company with Manoel Pereira Ramos, & it does not appear to us that the former Owners have any just pretentions thereto, accordingly we adjudge the purchase to him the Defendant, & that the Plaintif, be accountable for the charges of this Suit.

Sunca Ramah offerg. a bill of Excha. to ffts. St. David for 10000 pags.

Sunca Ramah offering a Bill of Exchange upon his Correspond^{t}. at Fort S^{t}. David of this days date for ten thousand pagodas

ye. Same is accepted.

Agreed that the said Bill be accepted, & paid, when advice is given of it's being receiv'd into the Fort S^{t}. David Cash.

The Presidt. havg. thorowly examd. ye. affr. of ye. Town Conicoplys duty offers ye. followg. remarks.

The President acquaints the Board that He has made a thorough examination into the Town Conicoplys duty usually collected out of the Sea & Land Customs from all black Merchants that imports & offers the following remarks.

that ye. sd. Duty is given by ye. Compy. to ye. Corporation.

That this duty of ten Cash upon every pagoda received for Custom, was granted to the Corporation of Madrass by the Hon^{ble}. the Directors of the old East India Company in their Letter dated the 6th. of March 1694/5 for ever, upon condition to be employ'd for beautifying and adorning the Town with usefull & Necessary Buildings.

there has been an abuse in collectg. ye. mony.

That there has been a most notorious abuse in the collecting and paying in the mony arising from the said duty for many years past so that a great Sum has been sunk Some where.

Not Near so much pd. in by ye. Receivers as ought to have been.

For, that one year with another the said duty must always have amounted to Seven hundred pags. more or less according to the Sum of the Sea Customs, but upon a nice inspection into this head in the Genu. Books from the year 1696 to the year 1709 it plainly appears, That there never was more paid in, in any one year than pags. 470 & that only for the year 1697, in the year 1698 was paid in 330 pags., in 1699 no more than 50 pags., in 1700 was paid 356 pags., in 1701 nothing at all, in 1702 pags. 162, in 1703 pags. 176., in 1704 pags. 176: 20 fas., in 1705 to January in the year 1709 not one pagoda, Though the One hundred pagodas ℔ Anm: due to the old Town Conicoply, & settled upon him by order of the Board was constantly paid him out of the Hon^{ble}. Compas. Cash.

Mr. Jeremiah Harrison pd. in little or nothg. whilst He was receiver.

'Tis further remark'd That Mr. Jeremiah Harrison was Receivr. of the Sea Customs for the most part of the time, that nothing was paid in & 'tis reasonable to believe that the mony must have remain'd in his hands, but as all the persons concern'd in the receipt of this duty to the year 1709, are either dead or gone home for England, 'tis in vain to think of recovering what has been short paid in.

Messrs. Smart, Cooke & Fowke beg. ready to pay in wt. they ha collected

That from the year 1709 to this time, Messrs. Smart, Cooke and Fowkes that have been the receivers of the Sea Customs, & have the mony in their hands are ready to Account as the Board shall direct.

Ordd. that they do it forthwith.

Order'd that Messrs. Smart, Cooke and ffowke do forthwith pay in what mony they have gather'd Acco^{t}. the Town Conicoplys duty.

Resolutns. for securg. ys. duty for ye. time to come.

The foregoing premisses being consider'd & debated the Board came to the following resolutions, for the securing this duty for the time to come, to be duely collected, and paid, & to be applied to the uses, & purposes for which it was given to the Corporation.

——*FORT ST. GEORGE, JULY 1715*——

RESOLV'D that the ballance of the Town Conicoplys Acco^{t}. be wrote off upon the next Books as follows, Viz^{t}. — y^{e}. ballce. of s^{d}. Duty to be wrote off in y^{e}. Genll. Books as foll^{s}.

To Account of the New Bridge laid over the river from the Fort to the Island, what the said bridge stands in over & above the mony rais'd by Subscription. — To y^{e}. new bridge.

To Account of the New Hospital the remainder of the mony, if it be no more than will ballance that Account, If it is the board will in concert with the Mayor & Aldermen then take into Consideration how the Overplus shall be employ'd & these are the most usefull buildings can be thought of at present. — To y^{e}. New Hospital if there be any overplus the Board will in concert wth. y^{e}. Mayr. Agree how it shall be laid out.

RESOLV'D that for the time to come the Receiver of the Sea Customs, do account at this Board Annually for the foremention'd duty upon the close of the Books in April, & pay the mony into Cash as soon as it can be all got in. That the Secretary be mindfull to call upon him for it, and that the Receiver (whose present perquisits are but very mean, considering the great trust repos'd in him) be allow'd fifty pagodas ℔ Annum, out of the foremention'd duty to be paid him when He has accounted for the whole yearly income. — Receiver of y^{e}. Sea Customs Annually to acco^{t}. for y^{s}. Duty.

RESOLV'D that the Land Customer do likewise pay in at the same time, what He has received in the year on account of this duty, which is So small a Sum̃, that 'tis not worth making any allowance out of it. — The Land Cust^{r}. y^{e}. Same.

RESOLV'D that this Board will from time to time in concert with the Mayor and Aldermen, take care that the mony arising from this duty, be employ'd on usefull Buildings and repairs for the benefit of this Corporation, agreable to the intent for which it was granted, by our R^{t}. Hon^{ble}. Masters. — the mony for y^{e}. future to be employ'd on usefull build^{s}.

M^{r}. Joseph Smart pays into Cash pag^{s}. eight hundred and thirty, being what He collected when Receiver at the Sea Gate Acco^{t}. the Town Conicoplys duty, for the years 1709 & 1710. — Pag^{s}. 830 p^{d}. in by Mr. Smart Acco^{t}. y^{e}. Town Conicoplys duty.

Having by order of Consultation view'd the damage cloth by Ships Heathcote, & Mary, We present the following Remarks to Your Honrs. &cт. Consideration.

In nine Bales by Ship Heathcote, We found nine pieces all damag'd & twenty in two & three folds, besides the worm in some of the Lists.

Comparing the aforesaid cloth with the patterns, it appears much worse both in quality & Colours, with a dampness Which has already occasion'd a Mildew in some pieces, & in a little time we presume may be very prejudicial to the whole, unless speedy care be taken to prevent it, especially the fine Scarlet, where the pastboard yielding with the dampness of the cloth may cause great damage by worm & Mildew.

——*FORT ST. GEORGE, AUGUST 1715*——

By Ship Mary We find only three pieces of Aurora damag'd, & two pieces of Long ells, & by what We can perceive the cloth is less liable to more damage, than that by the Heathcote. We are

PRESIDT. & GOVR. OF FFORT ST. GEORGE &CT. COUNCILL.

HONBLE. SR. &CT.

In obedience to your order of Councill under the 8th. inst. We have Summond Abby Dulla &ct. Freighters on Ship Mary, who in their petitions to your Honr. &ct. desire reparation may be made them for the damage they have sustain'd on their goods on board the said Ship, & having desir'd the opinions of those Gentlemen, that have been most conversant in the cases of Freighters on English Ships, as Messrs. John Scattergood, Benjamin Walker, Capt. Wm. How & Capt. Richd. Williams, they all in general declare that they never knew any damage allow'd to Moors, or Armenian Freighters, let it arise any ways whatsoever, & indeed the Receipts given them for goods ship'd on board Seem to have been drawn to that purpose for they only mention to have received of such a person, such a number of Bales or parcells Wch. the danger of the seas excepted is promis'd to be deliver'd to the person Who is order'd to receive them, and to make this matter more clear Mr. Scattergood declares that there were a great number of the Freighted bales damag'd on the St. Andrew Capt. Thos. Greenhaugh, that time he was Supra Cargo of her to Surat, and nothing allow'd for it. Mr. Benjamin Walker says When He went in the Compas. Ship Colchester to Persia several of the Merchts. Bales were damag'd, & that He was in Persia when the Princess Sophia arriv'd there with a great many in the like condition, but nothing was allow'd the Merchants though they demanded it being proov'd not customary.

As to the Obligation that Capt. Hamiltons Passengers gave him for Rupees 4000 upon his bearing away after there was no likelihood to gain their passage to Moco, We presume it is set aside by that given them by Mr. Jno. Deane in Bengal, bearing date the 24th of Decr. 1714, wherein after the agreement for the freight is enter'd it is said expressly according to the translation thereof deliver'd us, that in case of the loss of the Ships passage Which God forbid I will not demand any charges for the Ship.

Capt. Hamilton has also deliver'd us Capt. Jno. Ouldham & his Mates protest setting forth that they met with very hard weather which occasion'd the loss of their passage & made their Ship leaky, wch. according to our customs prevents any damage

——*FORT ST. GEORGE, SEPTEMBER 1715*——

being demanded that happens thereby so that We are humbly of opinion upon the former considerations there is no ways a Reparation for the damage to be allow'd the Complainats but however leave the whole to your Hon^{r}. &c^{ts}. decession & are.

Agreed that a copy of y^{e}. Cowle be transmitted hither.

The 50th. paragh. of y^{e}. Court of Directrs. Lett^{r}. fully debated, relatg. to abuses in y^{e}. Military at Fort S^{t}. David.

AGREED that the several Articles complain'd of in the Said paragraphs be sent to Fort S^{t}. David with proper Remarks & Severe injunctions to the Dep^{ty}. Gov^{r}. & Councill to make strict and impartial enquiry into every one of them upon oath, & to transmit us a full answer thereto as Soon as it can be perfected.

the Sev^{ll}. Articles to be sent to Fort St. David with injunctions to y^{e}. D. G. & C. to make strict enquiry & return a full ans^{r}. thereto.

M^{r}. Philip Bakers remonstrance mention'd in Consultation the 25th. of August dated the 16th. of July but not forwarded to us till the 31st. of the same month is now again taken into consideration & debated, The said Remonstrance is enter'd in the Book of Letters rec^{d}. N^{o}. 91.

Philip Bakers Remonstrance debated.

Also a paper deliver'd in by M^{r}. Tho^{s}. Frederick late Dep^{ty}. Govern^{r}. in answer to the assertion cast upon him for Malice and uncharitableness by M^{r}. Baker in the foremention'd Remonstrance as enter'd after this Consultation.

M^{r}. ffredericks ans^{r}. thereto read.

Also several Attestations from the rest of the ffort S^{t}. David Councill as enter'd after this Consultation, which proove those points most insisted upon by M^{r}. Baker in his defence to be false in fact, That M^{r}. ffrederick farr from seeking Bakers ruin was very assisting to him, & that He deferr'd coming to extremity's as long as possible notwithstanding his unprecedented Sauciness & foul ingratitude.

Attestation from y^{e}. ff^{t}. St. D. Councill provg. M^{r}. Bakers assertions false.

In the whole the Board came to the following Resolutions

y^{e}. Resolution of y^{e}. board, Viz^{t}.

1ST. THAT M^{r}. Bakers insinuation of severity & hard usage making as if He had been suddenly call'd upon at a minutes warning for his Warehouse ballance is notoriously false & scandalous as it appears upon the Consultations, that He had been often call'd on before & M^{r}. John Morgan the Secretary declares that He was sent to him the day before the Consultation of the 12th. by the Dep^{ty}. Govern^{r}. to acquaint him that the Books were closing & He could forbear no longer, but desir'd him to bring the ballance, & M^{r}. Baker had absented himself from former Consultations on pretence of Sickness knowing that the ballance would be call'd for.

M^{r}. Bakers compl^{t}. of hard usage & absentg. from Consult^{s}. on pretence of Sickness proov'd to be false.

——*FORT ST. GEORGE, SEPTEMBER 1715*——

as likewise his pretence yt. no time was given him to pay in his ballce.

2DLY. THAT Mr. Bakers other insinuation of hard usage in that He offer'd to bring the mony before night if it was insisted on but could not obtain so much favour, is not only of no validity, but also apparently false & Malicious, because he had time given him to the receipt of our answr. Wch. was ten days, & even then the mony was demanded of him again in Consultation the 22d. of July, & He had it not to pay.

ffurthr. that no injustice was done him by votg. he had made use of ye. Compas. mony, if he pd. it yt. night by borrowg. of othr. people.

3DLY. THIRDLY. That the Deptv. Governr. & Councill did justly in voting that Mr. Baker had made use of the Compas. Cash, althô He had been able to pay the mony the same night by borrowing it of other people.

his pretence of havg. paid the Paymrs. ballce. wth. ye. Warehouse mony of no importance.

4THLY. THAT Mr. Bakers main pretence of being disabled from paying in the Warehouse ballance, by having discharg'd his ballance as Paymaster With the Warehouse mony, is of no importance thô likely enuff to be true, because the Paymaster is no more to be excus'd than the Warehousekeepr. if he applys the Compas. mony to his own use.

that he is not charg'd wth. any sum more yn. appeare undr. his hand.

5THLY. THAT Mr. Baker is not charg'd as He pretends wth. any sum of mony as Paymaster but what appears under his own hand to have been recd. by him & not before fairly accounted for, & if He had been anyways aggreiv'd in the Case of Mr. Raworth, He ought to have applied to ys. board for Redress before he paid that ballance.

Lastly that He disabled himself by usg. ye. mony for his own privte. occasions, & cod. not pay ye. Paymrs. ballce. wtn. out assistce. from ye. Deptv. Govr. for wch. Reasons his dismission is confirm'd.

LASTLY, THAT It appears fairly & fully to this board that Mr. Baker had disabled himself from paying in his Warehouse ballance by applying the mony for goods sold, to serve his own occasions otherwise, & that He could not have made good his Paymastrs. ballance without the assistce. of the late Deptv. Govr. wch. mony then lent him is still unpaid.

WHEREFORE in consideration of the foregoing premises, it is unanimously AGREED that his dismission be confirm'd thô the Sum is not very considerable, but if We should excuse this first fault, since the Receipt of our last Orders it might be drawn in for a precedent hereafter and pleaded in the case of a larger Sum.

TO THE HONBLE. EDWD. HARRISON ESQR.

PRESIDT. & GOVERNR. OF FFORTS ST. GEORGE & ST. DAVID &CT. COUNCILL.

HONBLE. SR. &CT.

Mr. Philip Baker having remitted your Honr. &ct. a Remonstrance endeavouring to set forth the hardships he says He has receiv'd from my hands, I think it necessary to present this to you to shew you the falseness of his assertions in every particular and wherein I shall keep Strictly to matter of fact, thinking it no ways necessary to answer to his bundle of words, but only to the main points.

——*FORT ST. GEORGE, SEPTEMBER 1715* ——

In a short time after my arrival at ffort S^{t}. David I found that He stood considerably indebted on the R^{t}. Hon^{ble}. Comp^{as}. General Books as Paymaster, & when I call'd upon him for the same, He intimated to me, that M^{r}. Raworth had some how or other wrong'd him in the payments made to him, & therefore hop'd I would be so kind as to look into the Account, which I accordingly did, when it was demonstrated to me by his own receipts given in the Comp^{as}. Book that He was not charg'd wth. One farthing more than vouch'd by his own hand, whereupon being convinc'd of the justness thereof, He promis'd at the Councill board to pay the same into Cash, but beg'd We would favour him so farr as to give him a little time.

Now upon looking into the ballances that stood upon the General Books ending April last, I observ'd that this Gentleman was indebted on his Paymasters Acco^{t}. pag^{s}. 389 : 35 : 4, the Warehouse pag^{s}. 380 : 8^{fa} : 3^{ca}, Cornmeter pag^{s}. 15 : 5 : 5 : & for the Comp^{as}. old boat sold him pag^{s}. 30, upon promise of payment before the Cash Acco^{t}. for April should be shut up which as We advis'd your Hon^{r}. &c^{t}. was kept open some time that all ballances Might be paid in, & thereby clear'd in the General Books, I gave him time till every person had paid theirs in, but it was the 6th. of June before he tender'd any mony on the aforesaid Sum̃s, when He brought to Councill pag^{s}. 260, and desir'd an order for the payment of his Diet mony being pag^{s}. 54 as your Hon^{r}. &c^{t}. had consented it should be paid, as also for 36 pag^{s}. due to him when Paymaster for 6 Lascars arrears He paid, but omitted to be charg'd in his Accounts, w^{ch}. Mess^{rs}. Houghton & Berriman by their Report enter'd in the consultation of the 21st. Ditto, declare to be his due, but all this being pag^{s}. 39 : 35 : 4 short of his Paymasters Acco^{t}. He beg'd I would advance the same for him, I accordingly did it, & He is still so much indebted to me, and refused with no little insolence before the Councill to give me a Receipt for it, though I had generously lent it him

It is a plain case that there was due from him the last of April Pag^{s}. 815 : 14 fan^{s}. Viz^{t}.

On his Paymasters account	Pag^{s}.	389	35	4
On his Warehouse Ditto		380	8	3
Cornmeeters Acco^{t}.		15	5	5
The Comp^{as}. old boat		30	—	—
	Pag^{s}.	815	14	—

and He had no more than pag^{s} : 260 to pay towards any one of them and himself declar'd to the board He had received in all the mony for goods Sold out of the Warehouse, excepting about five or six pagodas which He Would be answerable for, which I humbly think plainly demonstrates the Warehouse Cash was deficient, On the 6th. of June as by the entry of Consultation it appears He promis'd speedily to pay it, The 30th. Ditto He reads his Warehouse Account for May, the aforesaid ballance still standing out, & then promises again in a short time to discharge it, The 12th. July it was again demanded, when not having it ready after so many admonitions I thought it was highly necessary to proceed according to the R^{t}. Hon^{ble}. Comp^{as}. orders, being convinc'd in my self He had made use of the Cash, and well knowing that the affair of M^{r}. Raworth rose first in a small Sum̃, which if discover'd in time might have stop'd his hand as to his Warehouse practices, & that if I did not do my duty according to the 87th. paragraph of our Masters Letter by the Kent, I might make myself answerable for the miscarriage, which M^{r}. Baker had heard read at the board, wherefore as He has made himself subject thereto, it's his own fault and no unchristian action in me as He terms it.

As to the great service he pretends to have done in the recovery of the Renters debt, I am oblig'd to be something particular in, because that I am sensible the whole Councill & all ffort S^{t}. David must own it to be gain'd by my own diligence, thus farr he was aiding therein, that He With Mess^{rs}. Woodward & Houghton took from the Conicoplys appointed for that purpose the translation of the Accounts with which they acquainted me constantly as they went on, and something I will allow to these last Gentlemen, because they never attack'd me therein as M^{r}. Baker did by

———*FORT ST. GEORGE, SEPTEMBER 1715*———

asking me whither I intended the business should be discover'd or not for which I gave him a Severe Reprimand, & am ready to give yo^r. Hon^r. &c^t. any further satisfaction to assure you it's truth that I assert.

To confute his Allegations in his postcript, how can He say that I press'd hard upon him to clear his paymasters debt, when I gave him more than one years time to do it in, or that being unwill^g. to fall under obligations was the motive that induc'd him to pay the greatest part of what charg'd him by M^r. Raworth out of the present Cash of the Warehouse, that ready cash ought to have been pagodas 380 : 8 : 3 : He had no more than pag^s. 260, and at his desire I lent him pag^s. 39 : 35 : 4 : and neither the pag^s. 54 allowed him for his Diet Mony, nor the 36 pag^s. due to him for the Lascars Arrears were in his possession, but there was an order of Councill made for the payment of those Sums purposely to enable him to clear his Paymasters ball^ce. and How can He say that I call'd for the Warehouse ballance before all Collected, when He owned himself upon the first demand that there was only 5 or 6 pag^s. uncollected, which He declar'd at the Councill board He Would be answerable for.

Whatever Gentlemen he pretends to bring in a parallell Case with him, I know of none He can, and I am sure there has none been equal to him for insolencies, which obliges me to Remind him of those gross ones He offer'd me during my Government, several of which were Made matters of Councill, but upon his Submission in consideration of his ffamily I was so kind to omit entering, each one of which accord^g. to the R^t. Hon^ble. Comp^as. orders was enuff to have created his dismission.

Having thus set forth the state of M^r. Bakers case as it Really is, I shall leave the decision thereof to your Hon^r. &c^t. & am

Which Sums in several Consultations being demanded from the 30^th. of April to the 12^th. July last He made trifling excuses that show'd He was unprovided for the payment, and that he has appropriated the R^t. Hon^ble. Comp^as. Cash to his own use, and Whereas He pretends that paying the ballance of his Paymasters Acco^ts. amount^g. to pag^s. 389 : 35 : 4 : disabled him for that of the Warehouse &c^t., We further declare He could not make good the said pag^s. 389 : 35 : 4, without his diet allowance in the time of his Suspension being 54 pag^s. & 36 pag^s for 6 Lascars arrears which He omitted to charge in his paymasters Acco^ts. and 39^Pa : 35 : 4 : the late Dep^ty. TO THE HONBLE. EDWD. HARRISON ESQR.
PRESIDENT & GOVR. OF FORT ST. GEORGE &CT. COUNCILL.

HONBLE. SR. &CT.

Having survey'd the Walls of Cuddalore I find the South side to have a foundation of four foot deep and five thick eleven foot from the Surface to the top of the Parapet, which is three foot thick, with a small Curtain of five foot high and ten broad.

To the Westward I find the Wall all the same as to the Southward, only one foot higher with a curtain compleat as farr as the Vizapore Point which is three hundred ninety One fathom.

The Wall continued to the Trevadee Point the same height without any curtain which is in length One hundred & nineteen fathom.

From the Trevadee point towards the Braminy Gate is One hundred & four fathom of Wall, but Seven foot high, and the Same thickness with the former without any Curtain, from Which towards the said Gate is a New foundation of fifty fathom, & an old Wall of fifty more, which is likely to fall if not pull'd down. The Braminy Gate and the small work by it is very weak.

The Chellembrum or South West Bastion is not above ten foot high, and the two Bastions nam'd Chellembrum and Trevadee to the West Ward not yet finish'd.

With Submission I offer my opinion, That to make the Town defensible against even a Country Enemy, with such a Garrison as We usually have in it, the following work is absolutely necessary.

1st. That part of the Wall from the Braminy Gate to Trivadee Bastion to be finish'd.

2d. A Bastion to be built where the aforesaid Gate Stands, with each flank large enuff for two Guns to command both sides of the Town.

3d. The Curtain should be finish'd as farr as the works go, With a foot bank upon it of two foot broad & One ½ high, the loop holes stop'd up, and the Parapet to be four & a half foot higher that the foot bank.

4thly. That the Vizapore & Braminy Gates now close to the Points, be both plac'd near the Middle of the Curtain, for there they are best defended.

5. That the two Bastions nam'd Chellembrum and Trevadee, which are now unfinish'd be compleated, and the Chellembrum Bastion rais'd, a foot & a half higher.

6thly. That there be a small Terrass over the three gates to cause a communication from one Bastion to the other, or steps to be made at each Gate to mount ye. Curtain, this compleats the South & West sides of the Town, though but a weak defence against a potent enemy.

——*FORT ST. GEORGE, SEPTEMBER 1715*——

7thly. The North side of the Town, having no other defence than a Round Redoubt, it will be much for the strength of the place to carry on a Rampart from the Braminy Gate to the place call'd the fferry boat Where a Bastion will be wanting & two small ones from the said Rampart it being four hundred & four fathom in length. I am with Respect

——FORT ST. GEORGE, OCTOBER 1715——

To the Hon^ble^. Rob^t^. Hedges Esq^r^.

Presid^t^. & Gov^r^. of Fort William in Bengall.

Delly 17^th^. July 1715.

Hon^ble^. S^r^.

We have lately sent your Hon^r^. the good news of our safe arrival here, the visit^s^. the King, & the civil treatment We met with, all w^ch^. Will without doubt be very welcome news, We have since visited sev^ll^. Omrahs, as the Vizier Caundora, & Fackarubcaun, where we were rec^d^. w^th^. all the Respect that could be expected, & gives me some hopes that all will end well, but what gives me the most encouragem^t^. (for I am well acquainted these Nobles, as long as they are expecting to get anything are always complaisant) is that the methods we are at present taking, is consistant & with the advice & Council of Zowde Cawn, We visited that Gentleman the 11^th^. Curr^t^. & met w^th^. the same treatment He has always given to Englishmen, w^th^. the highest acknowledgem^ts^. of the favours He has received from them, that as yet He had never been able to retaliate any of them, but hop'd He had now an opportunity of doing Something, he pressingly advis'd us to do nothing without the advice, Counsel & order of Caundora (and the main instrument of our affairs) Syed Sellabut Cawn, that the turn of affairs at the Durbarr oblig'd us to it, this which he told us by word of mouth he wrote me when I sent your Hon^rs^. Lett^r^. to him. We are convinc'd He advises like a freind, & are intent on the method, but at the same time very cautious how we any ways disoblige the Vizier, Wee being very sure that Zowdy Cawn was very intimate there, sent & advis'd him when We intended to visit, That He would use his interest for our bett^r^. Reception, intending to manage the Durbar by his means, He assur'd us that We might be satisfied as to the important Durbarr. The good prospect We have of our affairs makes Coja Surhaad very good humour'd, & at present tractable, in hopes He shall obtain his promis'd Reward, & consider^s^. that everything is come^s^. to it's crisis, I take particular care that He remains so & as much as possible perswade every one with me to do the like w^ch^. I fear gains me but little good will, but as passion must now be curb'd, except We expect to be laught at, We must be very circumspect in our actions & Councils.

We have rec^d^. Letters from Madrass advising y^t^. Sadatulla Cawn had taken the strong Fort of Chingie, & that He was for intrench^s^. on the Comp^as^. Bounds to rupture. We hope to get orders time enough to go by your August Shipping, God send Success to our affairs. I am

To the Hon^ble^. Rob^t^. Hedges Esq^r^.

Presid^t^. & Gov^r^. of ffort William &c^r^. Councill in Bengall.

Hon^bls^. S^rs^. & S^rs^.

The last we wrote your Hon^r^. &c^t^. was dated July 8^th^. giv^s^. an Account of our safe arrival at this place, & our visiting the King. We are at present but little able to give your Hon^r^. &c^t^. an Acco^t^. of our Negotiation, the King going out the 11^th^. to a place about five coarse from hence to worship, and With him all the Omrahs, so that little business can be expected till He comes back again, his stay being longer than We imagin'd, We intend to make him a visit abroad that there may be no occasion of any disgust.

———*FORT ST. GEORGE, OCTOBER 1715*———

Since our former We visited the Vizier & Fuckrub Cawn Wch. was attended with a great many civilities & promises of assistance in our affairs, likewise We paid our Respects to Zoudee Cawn, whose treatment was equal to the respect He has always shown to Englishmen, assur'd us our affairs Were in a very good state, & that the design We had of carrys. on our business by means of Caundora was the only advisable way to hope for Success, for althô the Vizier, & Fuckrub Caun, were in the highest posts, & our business in a great measure would inevitably fall into their hands, yet for a Patron or one to have the entire management of the business, none was so fit or could do so much as Caundora. We were well inform'd that He was very intimate with the Vizier, for which reason we particularly desir'd his freindship in the management of that Durbarr, He assur'd us We might rest satisfied on that side, a few days We hope will bring the King to his palace again, when We shall enter upon action, & hope everything will answer the expectations we have conceiv'd from so good a beginning.

The Padre in some of his former Letters to us, while in our way Copys of which We have sent your Honr. &ct. did advise that He had been oblig'd to give a writing under his hand & Seal to the Mudsuddies at Court, for a certain Sum of mony, and goods on our arrival, & finishing the business, We have examin'd into that matter, & are inform'd that 'tis to Caundora Behader & Syud Sallabut Caun Behauder for twenty five thousand Rupees, We intend to take up this obligation as invalid & make as good agreements as We can ourselves, the main reason of our doing this, is that the Padry may have no more opportunities of giving notes under his hand for anything relating to our business.

We have frequently complain'd to your Honr. &ct. & wrote of the invalidity of the Letters of credit sent us, & of what ill consequence it might be, in case We should be disappointed of mony when we come to action it being the main spring of our Negotiation, yor. Honr. &ct. did advise that you Were seeking a Remedy, by sending fresh Lettrs. Which as yet We have not recd. as for those already sent We have met with nothing but denials, Lollbeharry refusing to let us have any mony, but on very unreasonable conditions, the other Joogurpursaud Remains in Agra, We did not enquire for him there expecting to find him in this place, but now perceiving our mistake We have wrote to him but with little hopes of Success. We hope your Honr. &cts. first Letters will Remedy this disappointment.

Enclos'd comes Accot. Cash, Warehouse Accot. Charges General, & Copies of Consultations for the month of June, likewise copys of What Letters lately Received from Bombay & Fort St. George. We are

This is to inform your Honr. &ct. that a small time before I was recall'd from Fort St. David, I discover'd my Rt. Honble. Masters have been greatly abus'd in Receiving the Oringal Beteelaes, which the Merchts. there brought in upon the several Contracts made from October the 19th. 1709, to the 15th. September 1712 which is thus—It was provided in the Contracts aforemention'd that there should be 11 ℔ % abatement upon their prices. No. 1 being agreed for at Pags. 65 : 28 : 5. they have been received at this price with only 5 ℔ Cent deduction, so that by the Account thereof, which I now deliver your Honr. &ct., which was extracted out of

Mr. Jennings takes his place at y^{s}. board.

M^{r}. William Jennings lately arriv'd from Vizagapatam takes his place at this board as appointed in the General Letter ℔ Ship Kent.

Lett^{r}. from ft^{t}. S^{t}. David read wth. their last month Acco^{t}. Cash, & old Merch^{ts}. Accot. Curr^{t}. request^{g}. 470 pag^{s}. extra charges bring^{g}. their goods from Porto Novo in time of the Warr.

General Letter from the Dep^{ty}. Governr. & Councill of Fort S^{t}. David dated the 4th. instant read, inclosing their Acco^{t}. Cash for last month, and their old Merchants Account Currant, the ballance of Which they offer to pay in pagodas, their Beteelaes not prooving fit to be taken in. But they again renew their old Request to have an allowance of pag^{s}. four hundred & seventy for extra charges in bringing goods through Porto Novo by Sea Conveyance when the Bounds were beseig'd by the Chingie Enemy.

No agreem^{t}. for it appear^{g}. in Consult. agreed y^{t}. we take a propr. opportunity to make them amends.

AGREED that whereas nothing appears either in contract or upon Consultation, that any such promise was ever made them, This board cannot consent to such an allowance, but will make them amends some other way.

——*FORT ST. GEORGE, OCTOBER 1715*

AGREED to purchase the said Vessell and to send her over forthwith for the use of the West Coast, with advices that We have received eight Chests of Silver for their use, which We are not willing to risque but upon a Europe Ship, & therefore desire them to send us one if they have more than they are able to load for England.

Agreed to purchase her for use of y^e. West Coast.

AGREED that the Vessell be laden with Rice & Arrack Which they are most in want of, and that the Storekeeper do take care to store her well with Cordage and other stores, to be Invoic'd apart, from what is allow'd the Master for imediate use as ℔ Inventory.

the Vessell to be well supply'd wth. Stores, & laden wth. Arrack & Rice.

That the Vessell, fitting, Stores, and Cargo be all Invoyc'd together, & charg'd to the West Coast service.

The Vessell Stores & Cargo to be Charg'd to y^e. West Coast.

The Nabob having pitch'd his Tents without Arcot in order to march this way, & having very good intelligence, that his intentions are to draw near, and stop our Cloth from coming in, to endeavour seizing our Villages, and obstruct all manner of trade, which Would be attended with many inconveniencies, & particularly impede the dispatch of our Europe Ships in due Season

News beg. brot. y^t y^e. Nabob has Remov'd his tents in ordr. to march towards us wth. design of impeding our affrs.

ALSO considering the late advices from Fort S^t. David of troubles likely to begin there, that would be attended with the same ill consequences

& threatning to do y^e. Same at fft. S^t. David

RESOLV'D that the present intended last year upon the Nabobs taking of Chingie, which We have hitherto stav'd off, be now forwarded With Some addition, on account of our Villages here, That the management of this matter be intrusted to Sunca Ramah & Latchmarow residing with the Nabob, which saves us the extravagant charges of sending a Vakeel, That their instructions be to save us what they can, but to do the business effectually & to procure a Letter from this Nabob to his Superiour the Nabob of the Decan, for preventing further trouble about the Vilages, both here and at Fort S^t. David.

y^e. last years intended Present & Some addition agreed to be given him, directg. Sunca Ramā to be as Sparg. as possible.

A Further inducement to us to quiet the Nabob is that We know his resolutions to march to the Southward as farr as Tanjore in December, And to pass with his army through our bounds, unless We can find means to divert him from it.

A Further inducemt. to quiet y^e. Nabob, is y^e. fear of his disturbg. our affrs. at fft. S^t. D. as he marches to y^e. So.ward.

TO THE HONBLE. EDWD. HARRISON ESQR.
PRESIDT. & GOVERNR. OF FFORT ST. GEORGE &CT. COUNCILL.

HONBLE. SR. & SRS.

A Duplicate of your Honrs. &cts. dated January the 15th. & Original of the 29th. came to hand June the 29th. 20 Coarce distance from Dilly, We deferr'd giving answer at that time, in hopes to obtain an order on Sadatulla Cawn to attend it, but the Remooval of his Majesty from the City, hinder'd us from commencing any business, so can only give your Honr. &ct. an Acct. how things stand at present.

The 2d. of July when We arriv'd within 12 Coarce of the City, there came two Seerpaws from his Majesty, which were recd. with the usual ceremony, when We arriv'd within three Coarce, We prepar'd for our entry desiring if possible for the credit of our negotiation, that We might first pay our obeisance to his Majesty, & then proceed to the house provided for us Which being concerted the 6th., there came a Caun of 2000 Muns, with 200 horse, peons, Elephants & Flags to conduct us to the City, when We arriv'd at the outward gate, We were met by Syed Sallabut Cawn Behauder, who carried us to the Kings palace. We carried with us some Rarities, which We presented Caundora introducing us to the Royal presence, considerS. the great state, with the Adoration paid to these Eastern Monarchs, We were as well recd. as any European has been for these many years. We recd. Seerpaws, there beg. a Culgee set with Jewells given to John Surman, & a Cunger set wth. Jewells likewise to Seerhaad, when We came to our house, We were by the Kings order, entertain'd by Syud Sallabut Cawn with a dinner sufficient for us & all our people, Three days after, the King left the City, undr. pretence of visiting a sacred place, about Six Coarce from thence, but the true reason (We are of opinion) was to clear himself of a kind of confinement, which he thought He suffer'd whilst in the Fort, afterwards on the petition of his Omrahs to return to the City, the time of the rains being improper for travelling, He show'd himself resolv'd to proceed, either to Lahore or Azmere, neither could all the arguments us'd avert his intended journey. This startled us, considerS. with how great trouble, and risque We had brought the Present thus farr, & how to carry it on at this time of the Year We were something at a stand, at last We concluded to give the gross of our Present in, notwithstandg. the King was abroad, But in delivering some of the fine clocks, they were order'd to be Return'd & kept in good order till He came back to the City, He having now determin'd only to visit a Sacred place, about 40 Coarce from Dilly, after which He would Return, This stop'd our presenting the remaindr. of our goods, but We concluded that it was necessary to attend his Majesty in this Tour, We now continue in the Camp, leaving Mr. Stephenson & Mr. Philips to take care of what goods Remain in the City, & in case that the King should proceed farther, that they may concert measures to bring the goods after us, We are in this interval preparing petitions to be deliver'd to his Majesty, hoping We shall do Something for our Honble. Masters, that has not been yet obtain'd. The patronage and management of this negotiation, is in the hands of the greatest favourite at Court, Caundora, & under him Syud

——*FORT ST. GEORGE, OCTOBER 1715*——

Sallabut Cawn, withall, We being no ways unmindfull of our old freind Zeowdy Cawn, without whose advice We enter upon nothing, But he being at present in so low a station, is not able to obtain the Kings ear. However We are satisfied, that in whatever lies in his power he does & Will assist us, but particularly in the Viziers Durbar.

Hassein Ally Cawn Behawder Omeer All Omrah is lately gone into the Decan Country, having the entire command of all that part of this Kingdom, Your Hon^r^. &c^t^. have undoubtedly heard how great He has made himself, even to vie with the commands of his imperial Majesty, as lately appear'd in the disputes between himself & M : Jemlah Whilst at Court, when He oblig'd his Antagonist, contrary to the Kings desires, to Remove from Court to Patna, where by the interest of Omeerall Omrah, & his own mismanagement He is quite ruin'd, Wherefore We humbly Recommend a very good Correspondence with Omeer All Omrah otherwise, what ever We shall be able to do here, will be of very little Service before him.

We have in a very ℔ticular manner observ'd what Your Hon^r^. &c^t^. have wrote concerning the priviledges, & accordingly have specified them in our Petitions, as for the Towns, We cannot yet advise Yo^r^. Hon^r^. &c^t^. what We are capable of doing, till such time as We find how the Court is dispos'd, however our Endeavours shall not be wanting in the minutest particular, & above all for Divy Island.

Concerning Sadatulla Cawns taking the Fort of Chingie We have examin'd & find, that as soon as the news arriv'd at Court, that Raja Seroop Sing was dead, Orders were sent from hence to his Son, to deliver up that Government to Sadatulla Cawn, He having orders likewise to receive it, which the Rajah not thinking fit to comply with, said Fort was taken from him by force, this Victory in the Kings behalf has very much pleas'd this Court, We are endeavouring to get an order concern^g^. y^e^. business of Fort S^t^. David, to be sent to your Hon^r^. &c^t^. by the Ships from Bengall.

We hope his Majesty will not exceed his intended Journey but Return to the City, when We shall advise your Hon^r^. &c^t^. of whatever occurs. We are

Lieutenant John Roach Petitions that his affair depend^{s}. With this board on Account of Robert Raworth deceas'd, may be taken into consideration, & the attachment laid in Consultation the 14th. December discharg'd.

Lieut^{t}. Roach petitions y^{t}. a Decision may be put to his affr^{s}. depends. wth. ye. board, Accot. Mr. Raworth.

The debates of this affair Reassum'd & said Roaches Acco^{t}. Currant with Robert Raworth as deliver'd in by order of the foremention'd Consultation is now thoroughly perus'd & examin'd, also what pass'd in former Consultations touching this affair, & Lieut^{t}. Roaches Remonstrance. Upon the whole the Board came to the following Resolutions.

Roachs Acco^{t}. Curr^{t}. examin'd & ye. formr. debates beg. Reassum'd, ye. follows. Resolut^{s}. agreed upon.

THAT the Assignment which Lieut^{t}. Roach produc'd in Consultation of the 18th. of October last was twelve months under the hand of M^{r}. Robert Raworth for his the said Raworth's share in Stock & block of Ship Ramah Kistna, did appear to the board then setting to be a fair & full assignment of all the concern He had in her, except what he had before made over to Captain Eustace Peacock of the Somers for a ballance owing him the said Peacock of Pagod^{s}. Six hundred, which Lieut^{t}. Roach has since discharg'd as appears in Account Currant enter'd after this Consultation.

That the Assignment Mr. Raworth gave him is a fair one.

THAT it appears plain to this board that M^{r}. Raworth gave Lieut^{t}. Roach this assignment to make reparation for the damages Roach had Sustain'd by his negligence in Attornieship, as set forth in Roachs Remonstrance, and to make good the ballance that was due to him on Account under M^{r}. Raworth's own hand.

That it appears plainly the Assignment Was given him to discharge ye. ball^{ce}. of his Acco^{t}. & make amends for ye. losses he Sustain'd by Mr. Raworths carelessness of his affr^{s}.

THAT the thousand pagodas which M^{r}. Raworth declar'd to have interested Roach under him in his adventures upon Ships Oxford & Dartmouth, with the Profit of about fifty ℔ Cent was actually received into the Hon^{ble}. Comp^{as}. Cash in part of M^{r}. Raworths debt as Roach alledges in his Remonstrance, because M^{r}. Raworths whole concern in those two Ships was paid in, as appears by Account Currant with his Attornies.

A Letter of this days date in Answer to Mr. Surman &cts. letter of the 4th. of August read, approov'd & sign'd and is to be forwarded to Delhi by two of the Kings Guzbardars, that arriv'd some time ago with a Message to our Nabob, & are returning to Court with his answer, this Conveyance saves us a considerable expence, And therefore it's Agreed that a small present be made them of a few yards of cloth.

John Legg Storekeeper pays into Cash pagodas twelve hundd. in part of his ballance.

Sevll. ψsons complains. yt. Ancona Dubash had recd. 50 pags. to get Occuloo releas'd out of prison

Timapah, Occuloo, & others complaining to the board against Anconah Dubash for having exacted the Sum of fifty pagodas from Occuloo to get him Releas'd from the Choultry prison where He was confin'd, for Refusing to comply with a Jentue Award upon an Arbitration, Witnesses were fully heard & examin'd on both sides, the Companies Merchants, & Principal black Inhabitants of the place present.

Sevll. Witnesses examin'd.

The Principal Witness referr'd to by the Plaintif who they alledge Received the mony from Timapau to carry Occuloo when in prison is since dead, Another Witness Subramony declares that He was present wth. Occuloo at the prison, when Anconah, came & acknowledg'd the Receipt of the mony, promising to get him Releas'd.

An old Woman declares Ancanah acknowledg'd ye. Rect. of ye. mony.

An old Woman Gran[d]mother to Occuloos Wife declares that Ancanah acknowledg'd the Receipt of the mony to her, & promis'd to get Occuloo Releas'd.

Timmapau declares that Gungoloo decd. came to him from Occuloo to borrow the fifty pagodas which He lent him, & beleives they Were made use of as beforemention'd.

The defendt. ψduces sevll. Witnesses yt. invalidates all yt. Timmapah has declar'd.

The Defendant brings several Witnesses of good credit to prove that after the Plaintifs had spread this Report, they talk'd With Timapau the Cheif promoter of it, who denied very positively to them that ever He said any such thing or that He knew of any Mony given.

———*FORT ST. GEORGE, NOVEMBER 1715*———

The Black Merchants present at the Board having heard the Depositions on both sides declare, that according to the rules of their Cast, the Evidence of Relations is never credited in such cases as this, nor in many others, & all the material Evidences produc'd by the Plaintifs except Subramony beforemention'd is by near Relations that are maintain'd by Timapau.

The Black Merchts. opinions Requir'd Who declare yt. it's ye. Custom of their Cast, not to suffer any of their Relations to be Evidences, &

And as to Subramony, The Companies Taliars that Watch'd the Choultry Prison, after having been sworn in the most Solemn manner declare that Ancanah Dubash never was with Occuloo, when in custody as the said Subramony gave in Evidence, & 'tis impossible He could speak with Occuloo without their knowledge, Wherefore the whole matter seeming to be a malicious contrivance against Anconah, On Account of his having been active in procuring the Award, for which Occuloo was confin'd

Subramonys declaration being proov'd false by ye. Taliars of ye. Choultry

AGREED that the complaint be dismiss'd as frivolous, Mr. Richard Horden Cheif Justice of the Choultry offering his oath, that He knows nothing directly or indirectly of any mony that was given for Occuloo's Release.

OF THE FORTS S^{T}. GEORGE, S^{T}. DAVID &C^{T}. COUNCILL. TO ALL TO WHOM THESE PRESENTS SHALL COME GREETING:

KNOW YE THAT THE REVEREND THE CAPUCIN FATHERS OF THE FRENCH NATION that Officiate in the PORTUGEESE CHURCH of this place, and others of the same

———*FORT ST. GEORGE, DECEMBER 1715*———

Nation & order at PONDICHERRI, that formerly resided here, having made application to us for our Assistance to justifie themselves from Several aspersions that have lately been cast upon them in France by their inveterate Enemies, in order to blast their reputation and render them contemptible in these parts of the World, & having in order thereto, humbly propos'd the following Quærys.

1ST. Whether the Capucin Fathers that have dwelt, & officiated in this City of Madrass from the first Settlement to this time Vizt. Ephraim de Nevers, Zenon de Baugé, Cosmé de Gien, Jacques De Bourges, Esprit de Tours, Laurent d' Engoulême, Michael Ange de Bourges, René d' Engouleme, & Thomas De Poitiers, They or any of them ever behav'd themselves, otherwise than became their Sacred Function as Missionary's, & Persons [in] Religious Orders, or Whether they have given any cause for Scandal by their deportment?

2DLY. Whether they have ever had any Quarrels or Differences among themselves, which oblig'd them to have recourse to our Tribunal for an Accomodation, and particularly Father Esprit de Tours with Father Mich[ael] Ange beforemention'd?

3DLY. WHETHER THE CAPUCIN FATHERS of Madrass or those of Ponticherri particularly Father Esprit de Tours either now have or ever had any mony at Interest or otherwise in the Cash of the Rt. Honble. Company our Masters?

4THLY. WHETHER Father Thomas De Poietiers now residing & officiating here ever bought or sold five hundred Chests of Persia Wine, as He is accus'd for having done in the year 1713, or before or since that time.

TO THE FIRST ARTICLE, We are oblig'd to declare, that the Capucin Fathers abovenam'd who have had the care of the Mission in this City of Madrass from the first Establishment thereof to this present time by permission of our Rt. Honble. Masters, have always demean'd themselves in so handsome a manner, both in spiritual, & temporal affairs, as to give no just cause of complaint to us their Reprisentatives, their conduct has been Regular and agreable to their profession, nor have We ever heard of, or Remark'd any action of theirs, that could occasion the least Scandal to their order.

TO THE 2D. ARTICLE. We never heard nor can We find upon examing our Registers that any of the said Capucin Fathers, ꝑticularly the persons beforemention'd in this Article, ever had any differences Which oblig'd them to have Recourse to this or any other Tribunal here for a decision.

TO THE 3D. ARTICLE. We must declare it to be a notorious falsity, that the Capucin Fathers of Madrass or Pondicherri or. of any other place, ever had any mony or Effects at Interest or otherwise in the Rt. Honble. Compas. Cash that We know of.

TO THE 4TH. ARTICLE. We know it to be very false that ffather Thomas De Poitiers bought or sold 500 Chests of Wine in 1713 either He or any other of the same order, & We further Certifie that none of the Capucins beforemention'd have ever been known to be concern'd in any sort of Commerce Whatsoever, In Witness whereof We have at their humble Request given them this our Certificate, Which could not in conscience be refus'd. Done in ffort St. George this 12th. day of December 1715, And Seal'd wth. the Rt. Honble. Compas. Seal.

Hon^ble. S^r. &c^t.

According to your Orders, We have examin'd the difference[s] between Adapau & Mahomed Marrad Attornie or ffactor for the [Moors] Merch^ts. of Bengall, mention'd in the President & Councill of said [places] Letter under the 28^th. of January last.

Mahomed Murrad delivers in an Account Currant Wherein He debts Adeapa for Rupees 1475, which He says appears by bond, but upon translating the papers (He calls bonds) We find One to be a bill of Exchange for 1075 Rupees, drawn upon Addapa [by the] Factors in Bengall Marrad Cawn, & Maddeah, and the other paper [a] Respondentia Bond for 320 Rupees at 25 ℔ Cent taken up Marra[d Cawn] both which Adapah denies to pay as never having given his ffactors in Bengall any power to draw bills on him, or take up any mony at Respondentia, alledging that He sent sufficient to Bengall by his Sloop [not] only to repair her, but to provide part of her Lading.
